Pre-Conference Workshop

Designing an Engaging Online Course in Moodle Cloud

Venue:
Open University Malaysia (OUM)
Block B, Zon C, Jalan Tun Ismail
50480 Kuala Lumpur, MALAYSIA

Dates: 25-26 November 2016

Who Should Participate?

- Educators and Trainers

- Educational Technologists

- Students (majoring in Education, Educational Technology, Curriculum Design, Instructional Design)

- Instructional Designers

- Anyone interested in developing online course

At the end of the workshop, you should be able to:

1. Plan, design, implement and deliver the lesson through Moodle Cloud.
2. Identify the skills set and perform the procedural task analysis for at least five (5) topics for designing purposes and producing a planning document.
3. Writing a course based on the planning documents in Moodle Cloud.
4. Trying out the learning session for usability study.

Workshop Prerequisite

No prior knowledge is required, however basic computer knowledge is essential.

Workshop Overview

The progress of online learning has given a significant impact on the learning approach. Teachers and learners can reciprocally interact with each other anywhere, anytime. The content has turned into digital and can be easily disseminated via the learning management system. The facilitator can creatively package the content together with

the learning objectives, tasks and resources and laid them out in the Personalised Learning Environment.

The workshop focuses on the design and development of lessons that are catered for blended and fully online learning. It will also explore all features in Moodle Cloud to create a highly interactive lesson for better learner engagement in their learning process. Moodle Cloud from Moodle is easy to use, robust and allows the instructors to start creating online courses out of the box.

Important note:

1. Please bring your own laptop (with WiFi connection) to the workshop.

2. The workshop is limited to 25 persons only based on first-come, first-served basis.

Facilitator: **Dr. Zahari Hamidon**
Institute *for* Learning Technology
Open University Malaysia (OUM)

Workshop Schedule

DAY / TIME	TOPIC
Day 1 – 25 November 2016	
9.00am - 10.00am	Identify topics and write the Learning Objectives
10.30am - 1.00pm	Organise the content based on Skill Hierarchy and Instructional Strategy (Procedural Task Analysis)
1.00pm – 2.00pm	*Lunch*
2.00pm - 3.00pm	Design the course template (Task, Learning Outcome)
3.00pm - 4.00pm	Setting-up and Registering Moodle Cloud
Day 2 – 26 November 2016	
9.00am - 9.30am	Exploring Moodle Cloud UI
9.30am - 1.00pm	Activity Block in Moodle Cloud
1.00pm – 2.00pm	*Lunch*
2.00pm - 3.30pm	Writing a course in Moodle Cloud based on the plan document
3.30pm - 4.00pm	OUM experience in customised LMS (Moodle) - myINSPIRE

  Note: Morning and afternoon tea break will be served each day
